

January 27, 2023

Dear Palisades Christian Academy Families,

It is hard to believe that we have started the third quarter of this school year already! The Lord has truly blessed us with great teachers, fantastic students, and supportive parents. PCA continues to grow and we look forward to serving our valued families in the 2023 – 24 school year. With strong interest already being expressed, we anticipate robust classrooms in the upcoming year. Completing registration early will ensure your child's spot at PCA.

Next Tuesday, January 31, we are beginning the registration process for the 2023 - 24 school year. In February, you will not be billed for tuition; however, you are asked to pay the \$590 Entrance and Capital Improvement Fee per student. With the 5% early payment discount, the amount is \$560.50. This **non-refundable** payment will hold a spot in the classroom for next school year.

Tuition charges will resume in March.

Then, on Tuesday, February 28, we will begin accepting applications from new families not currently enrolled. Once a classroom is full, waiting lists will be created.

We thank each family for helping to make this a great school year and look forward to this third quarter.

Sincerely,
Monte Fisher
Principal
